

# NOW AVAILABLE NEW TRAINING

Welcome to the new FirePlus Academy online training system. All FirePlus clients are eligible to participate in the program at no additional cost.

## PROGRAM BENEFITS

**Train Anytime, Anywhere** - 24/7 access to courses specifically designed for firefighters from a computer with internet access.

**Meet Training Mandates** - Courses are NFPA-based, CAPCE-accredited, and can be used to meet annual training requirements.

**Track Training & Credentials** - Quickly view personnel compliance against training requirements, mitigate risk with comprehensive reports, and monitor credential renewal by level, state and category.

## HOW TO ACCESS THE TRAINING

1. Visit our site at [www.providentfireplus.com/training-education/](http://www.providentfireplus.com/training-education/)
2. Click the "Sign In" button on the site and you will be directed to a landing page. Click "Sign In for Training" to enter your login credentials. (Username & Password).
3. Upon your first login, an automated system tutorial will highlight key features and provide access to your training.
